IMPORTANT NOTICE: This WebEx service includes a feature that allows audio and any documents and other materials exchanged or viewed during the session to be recorded. You should inform all meeting attendees prior to recording if you intend to record the meeting. Please note that any such recordings may be subject to discovery in the event of litigation.

- **To join the web-ex:**

1. Log onto your computer.
2. Dial in on the phone using the information displayed on the computer screen.
3. Please be sure to enter your attendee number (displayed on the computer screen) when prompted to do so.

** If you do not see a phone icon beside your name when you log in, you will not be able to ask a verbal question during the Q&A.

- **Test your connection prior to the webinar:**

1. **Prior to the meeting, test your computer's capabilities, to ensure optimum participation:** <http://www.webex.com/test-meeting.html>

- **CME credit is being offered:**

1. After the web seminar, please **fill out our survey** (link to be included in reminder email ~ and shown as a slide during presentation).

2. At the end of the survey, you will be prompted to provide details so that we can send you your CME certificate.

****GROUP LEADERS:** We can no longer accept sign-in sheets for CME Credit. Each person must individually complete the online survey to receive CME Credit. Sorry for any inconvenience!

- **Recorded webinar available:**

The web-ex will be recorded and available on the Cochrane Neonatal website:

<http://neonatal.cochrane.org/> (Additionally, past seminars are available at this web address.)

- **For any additional information or questions, please contact:**

Colleen Ovelman, Trials Search Coordinator
